

Concession Work Rules

02/5/11

- A refundable \$80.00 concession work fee must be paid by all ALQMA full memberships before first race on April 23, 2011. No trophies/points will be awarded until fee is paid.
- Members must sign up to work the concession stand by April 23, 2011 or no trophies/points will be awarded until your time is scheduled. Times can be adjusted at least one week prior to scheduled work time so that you can get someone else to cover your shift.
- All members are responsible for working their shifts during the 2011 racing season. If you cannot fulfill a shift you signed up to work, it is YOUR responsibility to find coverage. The Concessions Director will give each member a list with names and phone numbers of all members in case they need to switch times. The shift requirements are as follows:
 1. Three- full shifts (open to close) during regular/points races
 2. One- 4 hour shift, or two- 2 hour shifts, during our Regional event weekend
 3. One- 4 hour shift, or two-2 hour shifts, during our Coliseum event weekend
- If a race is cancelled due to rain, your concession time must be rescheduled to receive credit for time worked.
- Members will be reimbursed at the end of the season at the banquet. If another member works your time then you will not be reimbursed for it, they will be paid that evening.
- If you are donating your \$80 work fee, you must still find someone to work your times. All concession time needs to be scheduled as stated above.
- Must be 14 years old to work in concessions, and must be approved by Concession Director.
- Time worked in the tower will go towards concession time.

IF A MEMBER DOES NOT FULFILL THEIR CONCESSION TIME AS STATED ABOVE, THEIR DRIVER WILL NOT BE AWARDED A POINTS RACE TROPHY AND END OF YEAR GIFT AT THE BANQUET. THIS IS A CLUB AND WE NEED TO WORK TOGETHER AS A CLUB, NOT EXPECTING ONE OR A FEW PEOPLE TO DO ALL THE WORK!
