### Seeking Sponsors:

ALQMA is a Nonprofit organization that continues to look to generous donors and sponsors to help assist with organizational costs and expenses so we can provide a racing environment for the children. ALQMA has been in existence for 30 years and we strive to keep it going for many more.

We encourage all members to seek sponsorship from family, friends, or local businesses. Monetary donations are preferred but we will accept other contributions. Please contact Mark Hanes if you have questions regarding donations.

Sponsorship levels will be reviewed and more information will follow soon.

### Novice Trophies for Point Series

Are you interested in sponsoring a set of trophies for the Jr. and Sr. Novices?

Simply let Stacy know if you would like to buy a set for the Jr. Novice and Sr. Novice classes and for what points race. Then you can order what ever style you would like and sponsor your name on the name plates. Six trophies could range from \$75-\$100 depending on style and size.

### Would you like to learn how to score?

Stacy needs help in the tower with scoring races and would like to train people. It gives you an opportunity to learn how to score laps, keep track of lap cars, learn how calls are recorded, and gives you an overall appreciation for the ladies that score on a regular basis.

### This position needs cross-training!!

If you are interested, simply pick one evening or even one race to sit with Stacy!

Jayme Sarff has been mowing the grounds and campground entrance and recently expressed the need for volunteers to help him with this week to week. Any assistance you can lend will greatly help, whether you can show up early before a race, or alternate weekends. If anyone is willing to help out, please contact Jayme and work out a schedule.

### Attention Novice Families

If it should rain the day before practice is scheduled, please call Fred at 217-741-7699 to see if practice will still be held. If any novice families live close to the track, it would be helpful if anyone would be willing to check on the track and call Fred by 2:00 the day of practice to let him know the conditions.

Please remember to let Freddie know when your novice driver will be moving up so he can notify Cathy Hanes and a certificate can be made.

### Quarter Midget Races Today!

Be on the look out for Quarter Midget Racing signs. Aaron Hammel is making yard signs that we can display en-route to the track. Hopefully this will help with directions and attract some new spectators.

## Happy Father's Day

What Is A Dad?

A Dad is a person  
who is loving and kind,  
And often he knows  
what you have on your mind.

He's someone who listens,  
suggests, and defends ~  
A dad can be one  
of your very best friends!

He's proud of your triumphs,  
but when things go wrong,  
A dad can be patient  
and helpful and strong.

In all that you do,  
a dad's love plays a part ~  
There's always a place for him  
deep in your heart.

And each year that passes,  
you're even more glad,  
More grateful and proud  
just to call him your dad!

Thank you, Dad ...  
for listening and caring,  
for giving and sharing,  
but, especially, for just being you!

Happy Father's Day to all of our special dads  
out there!!

- Do we have your email address? Mark sends email updates to members quite often so make sure you are on our list.
- Feel free to send me photos that you would like posted to the website. You may also send me a photo for the driver profile page.
- Send me info about any Quarter Midget equipment you would like advertised on the website.
- Concession Donations would be appreciated to help out with club costs.
- Do you have an idea to make our Regional Event extra special? Let me know about it.....Do you know of anyone that owns vintage Quarter Midgets and would be interested in putting them on display?

Some people want it to happen,

some wish it to happen,

others make it happen!

Please volunteer!
