

# Tech Rules

1/16/10

1. All cars must weigh after each race.
2. Any car can be inspected at the tech director or assistant tech director's discretion.
3. QMA rules apply at all times
4. Tech cannot be refused
5. Tires can only be removed from a car at impound, at the tech directors discretion, and must be marked before removal. Then second car must be impounded after its race is completed, regardless of finishing position.
6. Impound area is inside the fenced area
7. Leaving the fenced area without being released is considered refusal of tech which is a DQ.
